POSITIVELY EMPOWERING TEEN GIRLS ABOUT LIFE!

This forum is designed to raise awareness and talk openly with teen girls about the powerful uses of social media and how they are communicating and connecting with others. Our discussion will explore the recent issues in the news, the importance of positive representation and on-line safety. We will also share how schools and employers use social media as search tools and talk about what's happening in this ever-changing environment. Teen girls will be encouraged to ask questions, express their views, and engage in a dynamic discussion. P.E.T.A.L., Inc. will provide:

- ❖ girl-friendly dialogue
- ❖ social media overview
- ❖ forum to "Ask the Experts"
- ❖ social media SMARTZ gift bag for the first 150 girls
